From the ultra soft handle of Zanzibar to the iridescent sheen of our superb new Mirage collection, this exciting range of fabrics allows you to create stylish, practical blackout curtains for any setting.

Our collection includes:

- ODYSSEY - dyed polyester cotton face
- ZANZIBAR - plain dyed polyester

- DISCOVERY FR - FR dyed polyester

All our design-led coloured Blackout fabrics are available in both narrow and wide width, and meet the main international FR regulations.

As a market leader in the supply of Blackout fabrics, we're constantly developing new products to meet the many, diverse needs of our contract customers.

From coloured 3 Pass blackout FR linings to the iridescent sheen of our new Mirage range, our design team are constantly researching trends to ensure our collection combines the most fashion forward fabrics and colourways.
