## 3. The Price and Payment

**3.1** The Price of Goods and/or Installation costs are set out in full in Our Quotation.

**3.2** The Price on Our Quotation includes all taxes that apply, including VAT for domestic customers. However, please note that We may have had to make certain assumptions when pricing the Installation. **Please note in particular Section 6.1 below** where additional charges may apply for Installation.

**3.3** A 75% deposit is required on all domestic orders. Following a credit check, a deposit may be required on commercial orders.

**3.4** The Quotation will give details of the payment Terms for Your Order. If You have paid a deposit, this will be shown on Your invoice which will be sent on completion of Your Order. Payment Terms of invoices is 30 days.

**3.5** Payments can be made by card, bank transfer, cheque or cash. Payments by cheque are not deemed to have been made until the cheque has cleared.

**3.6** We can charge You interest if You pay late. The interest We may charge You will be on the overdue amount at the rate of 3% above base rate. The interest will mount on a daily basis from the due date the payment should have been made to Us by You until the actual date that You make the payment. You must pay Us interest together with any overdue amount.

**3.7** If We make a pricing error in any of Our quotations We will inform You. This can happen from time to time. We will contact You to advise, and You may cancel the Contract or decide to proceed at the higher Price. We will refund You in full any deposit You have paid to Us if You decide to cancel as a result.

**3.8** If We accept and process Your Order where a pricing error is obvious and unmistakable and could reasonably have been recognised by You as being so then We may terminate the Contract, refund any deposit that You have paid and, if You already have the Goods, require You to return them to Us at Our expense.

## 4. Your Rights to Cancel a Contract

**4.1 IMPORTANT:** If the Goods are made to measure by Us for You (whether this be as a result of any specific measurements that You give Us; We take at the time of a survey; or as a result of any other particular specific requirements You have given to Us which make the Goods bespoke) **OR** if the Goods have been Installed by Us or Installed by You then You **DO NOT** have the right to cancel the Contract unless section 4.2 applies. This does not affect Your legal rights as a consumer if the Goods are faulty or not as described.

**4.2** You may cancel a Contract if any of the following apply;

- a) We have told You about a pricing error or an error with the description of the Goods and You do not wish to proceed;
- b) There is a risk that supply of the Goods may be significantly delayed because of events outside Our control; or
- c) You have a legal right to end the Contract because of something We have done wrong (although please see section 9.8 where We deliver Goods late).

In such instances, the Contract will end immediately and We will refund You in full for any Goods that have not been provided properly.

**4.3** If You end the Contract because of one of the reasons in section 4.2, and Goods have already been supplied to You, then You must return them to Us. We will pay the costs of return. Please contact Us as set out in section 11.4.

## 5. When We Can Cancel a Contract

**5.1** We reserve the right to cancel the Contract or decline Your Order if;

- a) We have insufficient stock of the fabric or products required to manufacture and/or supply the Goods You have Ordered.
- b) Any of the Goods in Your Order were listed at an incorrect Price due to a typographical error or an error in the pricing information made by Us and/or received by Us from Our suppliers.

**5.2** Before cancelling Your Order under section 5.1, We will do Our best to offer You suitable alternative Goods of a similar style and quality, but You are not obliged to accept them.

**5.3** If We cancel Your Order under section 5.1 then We will notify You as soon as possible and will credit You any payment already made to Us relating to Your Order. Although We appreciate that You may be disappointed in such circumstances We will not be able to offer You any compensation for disappointment You may suffer.

**5.4** We may end the Contract at any time by writing to You if;

- a) You do not make any payment to Us when it is due and You still do not make payment within seven (7) days of Us reminding You that it is due; or
- b) You do not, within a reasonable time, allow Us to deliver the Goods to You, or collect Goods from Us, or allow Us to Install the Goods (if that is what We have agreed with You We will do).

**5.5** If We end the Contract in the situations set out in section 5.4 then You will be in breach of the Contract and still liable to pay Us the Price due under the Contract.

## 6. Installing the Goods

**This section only applies if We have agreed with You as part of the Contract that We will Install the Goods.**

**6.1** If Your Order includes Installation then We have to make certain assumptions when We agree the Price for Installation with You. These are that:-

- a) Those carrying out the Installation will have unobstructed access to immediately outside Your property with a small van and with parking available.
- b) The area around where the Goods are to be fitted is unobstructed and of standard construction with no cables or pipes under the surface.
- c) The surfaces or grounds in to which We need to attach hanging apparatus are in a condition that allows Us to easily obtain good fixings for the Goods.
- d) You have removed all ornaments, appliances and other objects in the immediate working area.
- e) None of the areas or items in to which We are Installing the Goods contain or We will or be likely to come into contact with asbestos nor have any warranties or guarantees that will be invalidated by the Installation.

If these assumptions are not met in Your circumstances, or if You have reason to doubt that they may not be, for example if You live in an old property, if there could be hidden pipes, conduits or cables or if You have parking or access problems, then You must let Us know at the time that You make Your Order or as soon as possible afterwards. If You do not tell Us when You make Your Order, or if You tell Us afterwards, then We may make an additional charge for the additional time, costs or materials required to complete Installation for You as a result of these assumptions not being met. This additional time will

be charged at Our hourly rate and the additional materials will be charged at their cost Price to Us. These additional charges will be added to the Price.

**6.2** We will not be responsible for carrying out any building work, for moving any furniture to clear access to the immediate area, or for the invalidation of any warranties You do not tell Us about in writing before You make Your Order.

**6.3 Safety devices.** We must comply with the Regulations. The Regulations have been introduced to help to prevent accidental death by way of strangulation to young children caused by them becoming entangled in blind cords or chains. We take Our obligations under the Regulations extremely seriously. These provide that the safety devices supplied with Goods must be fitted by Us at the time of Installation otherwise We may be negligent and We would be in breach of the Regulations. Therefore, if the Goods contain any safety device, We will fit this device and ensure that We have complied with the Regulations. In the event that You should instruct Us that You do not wish to have the safety device fitted, then We will refuse to Install the Goods. In such an instance, You will be liable to pay Us the full Price under the Contract.

**6.4** You agree that You will not treat Our refusal to Install Goods for the reasons set out in section 6.3 as a fundamental or any breach of the Contract.

**6.5** We believe sections 6.3 and 6.4 to be reasonable in all circumstances given Our obligations under the Regulations. However, this will not affect Your legal rights as a consumer in relation to any Goods that are faulty or not as described.

## 7. Warranties for Goods and Services

**7.1** We will supply the Goods under the Contract with reasonable skill and care and in accordance with the specification set out in Your Quotation.

**7.2** If the Goods supplied by Us are not in accordance with section 7.1, You should notify us within a reasonable time from their supply or of becoming aware of the defects which are not apparent to You on a reasonable inspection of the Goods. We will arrange with You a time when We can visit You to examine the supplied Goods and, if the Goods are not in compliance with section 7.1 We will, either remedy the defect in question or re-supply the defective Goods.

**7.3** Whilst every attempt will be made by Us to ensure that the Goods supplied match in every respect to any samples shown or description given to You, any minor or immaterial variation between sample or description of the Goods delivered shall not entitle You to reject the Goods, nor to withhold or reduce payment of the purchase price, nor claim any compensation for such variation or change.

**7.4** Subject to section 7.6, and to the receipt of payment in full for Your Order, the following warranties will apply:

- 10 Years - Roller and vertical blinds, window film installed by Us (manufacturers cover against delamination)
- 5 Years - Vision and visage blinds, One Touch blinds - motor only
- 3 Years – Pleated blinds, perfect fit pleated and roller blinds, Silent Gliss products

- 12 Months – Defective materials and workmanship, venetian blinds including perfect fit, soft furnishings and roman blinds, One Touch motorised blinds, any other products not listed

**7.5** We warrant that, subject to section 7.6 should any defect in material or workmanship occur within the relevant period after the date of delivery and installation of the relevant Goods, We will arrange with You to examine the Goods and, if the Goods are defective, We shall either repair or replace the defective Goods free of charge for labour or materials, providing that the Goods have not been subject to any misuse or modification.

**7.6** The warranties provided in this section shall not apply: in relation to fading/discolouration caused by fair wear and tear; and/or where the relevant fault or defect has been caused by Your misuse and/or neglect of the Goods; and/or by accidents caused while the Goods are in Your possession.

**7.7** Whilst all fabrics supplied by Us are tested in accordance with BS EN ISO 105 B02, fading will inevitably occur. However, performance of the product is unimpaired and the warranties provided in this section shall not apply in relation to fading/discolouration caused by fair wear and tear; and/or where the relevant fault or defect has been caused by Your misuse and/or neglect of the Goods; and/or by accidents caused while the Goods are in Your possession.

## **8. Measurement of the Goods**

**8.1** We can make the Goods according to the measurements You provide to Us. You can find information and tips on how to measure by contacting Us.

**8.2** If You are providing Us with Your own measurements please ensure that they are correct and accurate. Unfortunately, We cannot accept the return of made to measure Goods if the reason for the return is because You provided Us with incorrect measurements.

## **9. Delivering Goods**

**9.1** The costs of delivery, and Installation where We have agreed to Install Goods, are included in the Price. However, You are referred to section 6.1 regarding additional unforeseen Installation costs.

**9.2** We will contact You with an estimated delivery and Installation date (which may be different) which will be as soon as We are able to do so.

**9.3** If Our delivery, or Our Installation, of the Goods is delayed by an event outside Our control then We will contact You as soon as possible to let You know. We will take steps as best We can to minimise the effect of the delay. Provided We do this then We will not be liable for any delays caused by the event, but if there is a risk of substantial delay then You may contact Us to end the Contract and receive a refund for any Goods You have paid for but not yet received.

**9.4** If You have asked to collect the Goods from Our premises, then You can do so at any time after We have notified You that the Goods are ready, by attending Our premises during Our opening hours, which can be found on Our Website.

**9.5** If We are delivering the Goods to You, and no-one should be available to take delivery at Your address then We will Contact You to inform You of how to re-arrange delivery.

**9.6** If You do not collect the Goods from Us, or after a failed delivery attempt by Us, You do not re-arrange delivery or collect the Goods then We will contact You for further instructions and We may charge You for storage costs and any further delivery costs, which will be added to the Price. If, despite Our reasonable efforts, We are unable to contact You or re-arrange delivery or collection within a reasonable period of time then We may end the Contract and section 5.5 will apply.

**9.7** If We have agreed to Install the Goods for You and You do not allow Us access to the premises where the Goods are to be Installed, and if You do not have a good reason for this, We may charge You additional costs incurred by Us as a result. These additional costs will be the wasted time We have spent, which will be charged at Our hourly rate. If, despite Our reasonable efforts, We are unable to contact You or to re-arrange access to the premises then We may end the Contract and section 5.5 will apply.

**9.8** You have legal rights if We deliver any Goods late. If We miss the delivery deadline for any of the Goods then You may treat the Contract as at an end straight away if any of the following apply;

- a) We have refused to deliver the Goods;
- b) Delivery within the delivery deadline was essential (taking into account all of the relevant circumstances); or
- c) You told Us before We accepted Your Order that delivery within the delivery deadline was essential and We accepted Your Order on the basis.

**9.9** If You do not wish to treat the Contract as at an end under section 9.8, or if You do not have the right to do so under section 9.8, then You can give Us a new deadline for delivery, which must be reasonable, and You can then treat the Contract as at an end if We do not meet the new, reasonable deadline.

**9.10** If You do choose to treat the Contract as at an end under section 9.8 or 9.9 then You can cancel Your Order for any of the Goods that have been delivered already under the Contract. If You wish, You can reject or cancel the Order for some of those Goods and not all of the Goods, unless splitting them up would significantly reduce their value. We will then refund any money that You have paid to Us for the cancelled Goods and their delivery and Installation. However, if the Goods have already been delivered to You then You must return them to Us at Our expense or allow Us to collect them from You.

## **10. Ownership and Responsibility for Goods**

**10.1** The Goods become Your responsibility from the time that either;

- a) We have delivered them to the address You gave Us;
- b) From the time You collect the Goods from Us; or
- c) The time that We pass the Goods to any third party organised by You.

**10.2** You own the Goods only once We have received payment for them in full.

- After 6 months, additional recourse may be available to You.

**11.4** If You wish to exercise Your legal rights You must either return the Goods to Us in person, post them back to Us or, if they are not suitable for posting, allow Us to collect them from You. We will pay the costs of posting or collection.

## 12. Our Responsibility for Loss or Damage

**12.1** If We fail to comply with these Terms, We are responsible for loss or damage that You suffer that is a foreseeable result of Our breaking the Contract or of Our failing to Use reasonable care and skill, but We are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time You placed the Order, both We and You knew it might happen, for example if You discussed it with Us before placing Your Order.

**12.2** If We have agreed to Install Goods, We are not responsible for the cost of repairing any pre-existing faults or for any damage to Your property that We discover whilst undertaking the Installation.

**12.3** We only supply Goods for domestic and private Use. If You Use the Goods, or re-sell them, for any business or commercial purpose We will have no liability to You for any loss of profit, loss of business, business interruption, or loss of business opportunity.

## 13. General Additional Terms

**13.1** We may transfer Our rights and obligations under these Terms to another organisation. We will always tell You in writing if We intend to do this and We will ensure that the transfer will not affect Your rights under the Contract.

**13.2** The Contract is between You and Us. No other person shall have any rights to enforce any of its Terms.

**13.3** Each of the paragraphs and sections of these Terms operates separately. If any court, or relevant authority, decides that any of them are unlawful or unfair the remaining paragraphs and sections will remain in full force and effect.

**13.4** If We do not insist immediately that You do anything that You are required to do under these Terms, or if We delay in taking steps against You in relation to any breach of the Contract by You, that will not mean that You do not have to do these things and it will not prevent Us from taking steps against You at a later date. For example, if You do not pay when You should and We still deliver to You, We can still chase the payment at a later date.

**13.5** We will only Use any information You give Us in relation to Your Order for the purposes of processing Your Order, providing the Goods and/or Installation for You and to inform You of similar products or services that We provide. Please let Us know if You would rather not receive such marketing correspondence.

**13.6** These Terms are governed by English Law. You can bring proceedings in the English and Welsh courts.
